University, Mississippi.

Dear Miss Bass:

During the past months, I have received suggestions from members of A.A.L.L. that it would be useful if the Law Library Journal would publish once a year a complete listing of the officers of all the Chapters of the Association, rather than as separate items in Membership News, as has been done in the past. I am going to try to do this in the forthcoming August issue of the Journal, if possible, as I feel that the sooner this information is published the better. However, it is my understanding that the Southeastern Chapter does not hold its annual business meeting, when new officers will be elected, until August. If it is satisfactory with you, as President of the Southeastern Chapter, I will list the current officers of the Chapter and add a note that since the officers for 1957-58 will not be elected until August, they will be published in the following issue of the Journal, the Proceedings issue.

I want to congratulate you upon the very fine presentation you made as a member of the panel on "The One-Man Law Library". I enjoyed your discussion and thought the entire panel most valuable.

With kindest regards,

Sincerely yours,
Dudley Stephenson
